

**KAROL KULCZYCKI**

Bishop of the Diocese of Port Pirie

## DECREE

In keeping with the theme of Jubilee 2025, the call to be Pilgrims of Hope, as announced by Pope Francis, I am encouraging people both within and outside the Diocese of Port Pirie to join that spirit of Pilgrimage within our own territory.

I hereby decree the following for the Diocese of Port Pirie:

Two sites within the Diocese are formerly dedicated as places of pilgrimage for the duration of the Jubilee Year. They are the Cathedral Church of St Mark in Port Pirie and Saint Peter and Paul Church at Coober Pedy.

With this document I decree that a Plenary Indulgence may be obtained under the following conditions:

1. Going to Confession and Communion within 20 days either side of a visit to either Pilgrim Church.
2. A visit to the Blessed Sacrament in either of these Churches.
3. Recitation of the Creed
4. Praying the Lord's Prayer
5. Praying for the intentions of the Holy Father
6. Having a serious intention to avoid all attachment to sin.

Pilgrims are encouraged to discover other ways in which Indulgences may be gained during the Jubilee Year.

This Decree is to be published in all Parishes and becomes effective on Christmas Day following the launching of the Jubilee by Pope Francis on Christmas Eve.
